

BOWERS BEACH BUMMER

Vol. VI, No. 1

EAST BOWERS, DELAWARE

January 1991

▲ By Appointment Only, Summer '92

▲ Teenage Sit-In
Beach Bum teenagers staged a truck-in protesting too many bugs, not enough sun tan oil and refrigerators stocked with too much old bait. The protestors were captured by Bill Hanebury and transported where they were forced to eat pizza and lie in the sun under the watchful eye of Bill.

▲ Calendar Mixup
Bill Hanebury, not realizing previous months of his calendar had fallen over January, went to the beach for a weekend of fishing. Upon arrival the ever alert Bill realized something was wrong.

▼ Horseshoe Champions Crowned
This year's horseshoe tournaments provided the usual thrills and excitement. The team of Valerie Fawber and Mary Swaith were crowned women's division champions while Hal Swaith and Randy Frech swept the men's division. Congratulations to all participants in this year's tournament.
